Dear Ms. Cagle pieniazek:

One of the more pleasurable aspects of my position as President of the University, is the opportunity to congratulate students on their academic performance.

At California Coast University, we recognize that it takes a great deal of personal commitment and motivation to successfully complete a distance learning program. In keeping with this knowledge and when a student achieves an exceptional level of performance in completing a course, we believe it deserves acknowledgement. Therefore Dr. Insley and I would like to present you with the enclosed certificate of achievement in recognition of your successful completion of the course in LEADERSHIP AND TECHNOLOGY.

We wish you continued success with your educational goals!

Best regards,
